State Street

Minnesota Drive

**407 22nd Avenue
Orthopedic Institute**

With on-going road construction in front of Orthopedic Institute and 22nd Street closures through November 2019, you will need to access the OI building from the West. From 6th Street/ HWY 14 please turn South on 20th Avenue, then East on State Street and South again on Minnesota Drive. You will then reach the back entrance and parking for Orthopedic Institute. Thank you for your patience
